Subject: Florence Copper Data Recovery Report
Attachments: ATT00001.txt; Data Recovery Rpt Status.doc

Hi Nancy,

Please see attached status report on feedback received to date on the Draft Data Recovery Report. As you'll note the deadline for comments has passed and I would propose that we now finalize the report and issue as final. Please advise USEPA agreement with this approach and once finalized assume we would send out, but if you would prefer to send it out please let me know.

Regards,

Richard
